Let's Create the Forest

3-Day Art Camp for Children (9-11 years)

Be inspired by Nature through all the senses and create with the forest. Discover the vibrant colours and hidden patterns of the forest; listen to the voices of the animals and the whispers of the trees; feel the soil and the warmth from the sun; sense the connection between Nature and us. Together we will create art pieces with natural materials to express gratitude to Mother Earth.

Programme Content

- Explore your connection with Nature through different art forms
- Learn to observe patterns, colours and light in a natural environment
- Shake your arms and legs, dance with the wind and choreograph with the trees
- Immerse in the forest symphony with the sounds of nature and natural instruments
- Enjoy collaborative art and send blessings to the animals and forest
