

TALK TO PLANTS

ONE-DAY OR HALF-DAY PROGRAMME

植物細語

全日或半日課程

簡介

INTRODUCTION

這個課程旨在透過多種活動讓參加者探索植物背後的美麗。我們會以不同的感官如聽覺、嗅覺、味覺、觸覺及視覺與大自然建立更深厚的連繫。此外，活動中將加入植物攝影環節，藉著仔細觀察，引導參加者欣賞細微之處，發掘植物一直為人所忽略了的奧妙及美麗。

This programme is designed to help our participants reconnect with nature. A number of activities will guide us into the magical world of plants. We will be using sound, smell, taste, touch, and sight to forge a deeper connection with nature. Also, our flora photography exercise will help us pick out the special and beautiful features of plants that we may have never noticed before.
