

Season's Greetings

with Satish Kumar

Online Zoom Webinar with Satish Kumar

2021.12.20, 6 - 7:30pm HKT

2021 was the year of Covid and COP26. Let 2022 be the year of conciliation and climate action. In honor of the winter solstice, we celebrate equanimity and resilience. We pay homage to the divine feminine: to Gaia, the sacred Earth. By doing so, we recognise the dignity of all life while preparing to welcome the New Year and bid farewell to 2021.

The talk is jointly presented by Schumacher College and Kadoorie Farm and Botanic Garden.

Speaker	Satish Kumar
Date	2021 Dec 20 (Mon)
Time	6 - 7:30pm HKT
Format	Zoom Webinar
Language	English
Fee	Pay the donation amount you can afford
Application	Apply via KFBG website on or before 2021 Dec 14
Enquiry	Please contact Ms. Natalie Leung at 2483 7108 or natalieleung@kfbg.org

More about Kadoorie Earth Programme

Kadoorie Earth Programme (KEP) is a new initiative that is being co-created by KFBG and its network of collaborators and volunteers. By integrating the various strands of KFBG's nature conservation, sustainable living and holistic education programmes, it provides life-transforming learning experiences that reconnect people with themselves, each other and the rest of nature and enable them to cultivate resilience in the face of climate change, economic uncertainty and other related challenges. Facilitated by leading educators, KEP guides participants to experience a paradigm shift, to let go of the same way of thinking that created the problems* and open their hearts to new ways of knowing and acting.

We invite you to be part of this unfolding initiative, to make a difference together in this world.

*** "We cannot solve our problems with the same thinking we used to create them."**

Albert Einstein
